Hampton® H200 & H300 Wood Stoves

Hampton H300 large wood stove shown with optional side shelves in a enamel timberline brown finish.

Comfort and Convenience

Convenient and efficient, these wood stoves will keep your home comfortable all year – even during power outages. Add a two speed blower to circulate even more heat to every part of your room. All Hampton wood products are certified by the Environmental Protection Agency (EPA) and meet strict clean air standards. Available in two sizes including a hearth mount version, Hampton wood stoves work hard and look great!
