

# Hampton® Gas Stoves

H15, H27, H35

Hampton H35 large gas stove in midnight blue finish with double screen doors.

## Outstanding Fire

Hampton's beautiful styling is matched by its unsurpassed fire and log package. Convenient gas flames have been carefully engineered to twist and flicker in yellows and reds around the most realistic logs available anywhere today. In addition – this fire is designed to deliver controllable high efficiency heat with the added option of a wall thermostat or FireGenie Remote Control. Available in 3 sizes, these gas stoves will heat your home while saving money on your heating bill.
