

# Regency Horizon® HZ965E

Large Contemporary Gas Fireplace

HZ965E shown with enamel reflective panels and black crystals (clean edge install).

## Bold Flames, Big Style

Create a glowing centerpiece in your home with the Regency Horizon HZ965E gas fireplace. Styled for contemporary environments, this large fireplace features an inset design that allows finish materials to be installed to the edges for a clean design aesthetic. With one of the largest viewing areas in the Regency collection, the HZ965E offers an impressive view of the flames through heat radiating ceramic glass. A wide range of accessories and finish options make this fireplace an excellent choice for larger modern living spaces.
