

R90 & EX90

Wood Fireplaces

R90 featuring black louvers.

Regency's high efficiency fireplaces put a designer face on a hard working heater. Just load up your Regency and tuck in for a cozy night's sleep. Delivering up to 70,000 BTU of high efficiency heat, your Regency will burn for up to 8 hours while your rest. Choose a traditional design (R90) or an arched Excalibur front (EX90) with tasteful accessory options to create the perfect furnace with a view!

R90 featuring black with steel louvers.

R90 featuring louvers and gravity air kit.

EX90 shown with Excalibur front in black.

R90 featuring black louvers and gravity air kit.
